GOOD TO KNOW

The Fine Print

for every pre-wedding package

- 01 Many locations do not permit professional cameras; in those cases we shoot on smartphones. This is discussed and clarified at the consultation stage.
- 02 Dress changes, outfit styling and colour palettes are discussed at consultation for each specific pre-wedding package.
- 03 A photographer and videographer are included as standard. We may send additional team members depending on the package.
- 04 Refreshments such as soft drinks and chilled water are included. No food is included except where a dinner is specified as part of the proposal event.
- 05 The stated number of hours for each package must be maintained. Additional hours will incur costs for the team, vehicles and other requirements.
