WILL
YOU
MARRY
ME?

AURA & AIR:

SPELL OUT YOUR LOVE WITH FLYING LED BANNERS

High-Tech Display: 5 LED Flying Banners (towed by paramotors or drones) soaring above your yacht.

Personalized Content: The banners will feature custom images and messages telling your story as they circle the vessel.

The Grand Reveal: A final, synchronized aerial display featuring the definitive question: "WILL YOU MARRY ME?"

The Venue: A private luxury yacht positioned in the open sea for an unobstructed 360-degree view of the aerial show.

The Atmosphere: The dark sea provides the perfect high-contrast backdrop for the glowing LED banners, making the colors and messages pop with incredible clarity.

Cinematic Potential: This is a world-first style of proposal that offers unparalleled visual content for videography.

Coordination: The flight path is perfectly timed with the yacht's position to ensure the couple has a front-row seat to every image and message.

VISION & VOWS:

SAY IT IN STYLE ON THE WORLD'S LARGEST FERRIS WHEEL

The Global Stage: A breathtaking 30-second custom projection on the world's largest and tallest observation wheel, Ain Dubai.

Personalized Messaging: The massive LED outer rim will be programmed to display your custom message and the big question: "WILL YOU MARRY ME?" for a truly monumental "Yes" moment.

The Best Seat in the House: A Private Luxury Yacht positioned at the optimal viewing angle in the Bluewaters/Marina channel.

Perspective: Being on the water provides an unobstructed, front-row view of the entire scale of the projection, set against the backdrop of the JBR and Dubai Marina skyline.

Cinematic Coverage: A private photographer and videographer positioned on the yacht to capture the raw reaction as the wheel begins to glow with your message.

Scale and Impact: Specialized equipment is used to ensure both the couple and the massive scale of the Ferris wheel are perfectly framed in the final footage.

SUMMIT & SOUL: THIS IS THE ULTIMATE-BURJ AL ARAB HELIPAD

The Location: Privatization of the world-renowned helipad at Burj Al Arab Jumeirah, suspended 212 meters above the Arabian Gulf.

The Prestige: Access to the most exclusive and recognizable platform on the planet, offering a 360-degree unobstructed panorama of the Dubai skyline and the horizon.

Elite Planning: This experience requires meticulous coordination and "precision execution," handling all security clearances, weight distributions, and timing to ensure absolute perfection at this extreme altitude.

Exclusivity: A "not for the faint-hearted" experience designed specifically for those seeking the pinnacle of luxury and a moment that will be talked about globally.

The Moment: A completely bespoke setup on the helipad, customized to your specific vision—whether it involves grand floral installations, live musicians, or a simple, high-impact "Yes" at the edge of the world.

Service: Dedicated Burj Al Arab butler service to attend to every detail from the moment you step out of the private elevator or land via helicopter.

Cinematic Capture: Specialized drone teams and high-altitude photographers to document the scale of the moment, ensuring the height and the iconic architecture of the sail are captured in every shot.
